Psalm 74 is a psalm of lament that has three movements:

- 1. Frustration → Hard times can make us feel abandoned by God (1-11)**

- 2. Conviction → But God is still our powerful Redeemer and Creator (12-17)**

- 3. Petition → So it is appropriate to pray boldly for God to restore us (18-23)**

The message of Psalm 74: We can pray boldly for God to restore us when we face hard times because he is all-powerful
