1. TO WHOM do we pray? (14-15)

The Father...

- Our ultimate source of inheritance

- Our ultimate source of protection

- Our ultimate authority

2. FOR WHAT do we pray? (16-19)

- Give us spiritual strength to live in Christ through faith (16-17a)

- Help us understand the limitless dimensions of God’s love (17b-19a)

- Fill us full of God (20)

3. WHY does prayer work? (20-21)

- God is able to do far beyond what we could ever imagine! (20)

- So, God deserves all the glory! (21)

BIG IDEA: We can pray confidently to be full of God’s power and love because he can do above and beyond what we ask him to do!
